## Report for the Charity for the Relief in Sickness 2020

This year we have received two requests for support from the charity and we have been able to support both requests with payments totalling £463.

The Covid 19 situation has restricted the meetings that we could hold this year, which is unfortunate when it is the first full year for three of the trustees, including myself and the treasurer. As ever we shall continue to strive to make the residents of the two villages aware of the charity and continue to help more of those in need.
